### **FROM FR. DON:**

With sadness I announce that Mary Woodruff our long-time nursery attendant has stepped-down. Mary has provided a wonderful presence in our nursery and her ministry among us will be long remembered. As a responsible church we are required to have two qualified and certified attendants in the nursery when it is open. Until we can find and certify a new attendant, the nursery will remain closed. We will stock the bathrooms with changing stations with adequate infant/baby supplies in case the need arises. If you notice that the door to the nursery is unlocked, please let the staff or wardens know so that it can be locked. The episcopfish will continue to be cared for by Elizabeth.

### **FROM THE OUTREACH/FOOD PANTRY TEAM:**

The food pantry is located in the south closet in the hallway between the gathering area and the library. The pantry is generally unlocked. Those who make contributions are asked to place them outside the door. The pantry needs Polident tablets for a wonderful young woman who had to have her teeth removed due to a rare gum disease. Her finances make it difficult if not impossible for her to purchase the proper cleaner. My sincere thanks to those who recently donated produce. That was GREAT!! Thank you so much. I truly appreciate all the donations we receive. Please remember when you donate to make sure that the expiration date has not passed, and that the can or box has not be dented or opened. If you have questions, please contact me at 810-471-0673 - Jennifer Ireland

### **HEARING**

Many of our members have hearing difficulties. Our nave was acoustically built for music and thus the spoken voice is not always as clear as it needs to be for some. Any structural changes would take away from the room's beauty as well as it's amazing quality for singing. We have a system that allows those with hearing problems to listen to our PA system through their hearing assist devices or via an ear phone. Sadly, all of the small units no longer work, some have been dropped and they cannot be repaired. Our finances have precluded us getting new devices. New speaker ear phones (a bit like headphones), ear buds and hearing assist neck loops would run about \$1,000.00. If you would like to help with this, please mark your checks "hearing."

Bless you and thank you, Don+
